

CAFOSA'S COMMITMENT

Cafosa's commitment is to offer products and services that meet the highest standards of Quality & Food Safety in the world, and that create maximum value for our customers, the company and the rest of our stakeholders, doing it in a way that minimizes the impact on the environment.

We feel socially responsible and value the impact of our actions on the communities in which we live and operate.

Our products comply with all legal and regulatory requirements of the country where they are manufactured and the countries in which they are sold.

We believe that Quality and Food Safety is the responsibility of each collaborator, where each one has an important role in incorporating Quality in their daily actions, in any function and position.

Cafosa is committed to:

- Having a Quality and Food Safety strategy with measurable objectives and subject to regular review processes.
- Ensuring that resources and competencies are available to comply with the strategy and the established Quality and Food Safety requirements.
- Establish regular and participative communications to foster a Quality and Food Safety culture throughout the organization.
- Work for the Continuous Improvement of our products and processes.

We hope that all our collaborators feel fully identified with this statement and with the spirit of this commitment, based on the values of Grupo RB and Cafosa
